what is orlando soup?

Orlando SOUP, modeled after the successful Detroit SOUP, is a microgranting dinner celebrating and supporting creative projects in Orlando. For a donation of \$7, attendees receive soup (made by Slow Food Orlando using fresh, local ingredients), salad, bread. Before dinner is served, attendees will listen to four short presentations ranging from art, urban agriculture, social justice, social entrepreneurs, education, technology and more. During dinner, attendees cast their ballot for their favorite project, and at the end of the night, the winner goes home with all of the money raised to carry out their project. Winners come back to a future SOUP dinner to report their project's progress.
